LR 64

talking about how we have got to raise money, I can't imagine when we can chase somebody doing fifty or a hundred dollars worth of business and scramble after them, why we would ignore somebody doing hundreds of millions of dollars worth of business, most of them your local main street citizens in your small towns. I urge you not to kill the bill. I don't know what we will do eventually.

SENATOR BEUTLER: Your time is up, Senator DeCamp.

SENATOR DECAMP: I know you will miss your chance if you kill it. At least lay off and let it live long enough for us to look at it a little deeper.

SENATOR BEUTLER: Okay, are there any motions...excuse me, are there any messages, reports, or announcements, Mr. Clerk, you wish to read in?

CLERK: Mr. President, Public Health reports LB 201 to General File with amendments. That is signed by Senator Wesely as Chair. Enrollment and Review reports 269 to Select File and 552 to Select File, both signed by Senator Hall as Chair. (See pages 898-899 of the Legislative Journal.)

Mr. President, Senator DeCamp, Lundy, Hannibal, Labeledz would like to print amendments to 157 in the Journal. (See page 900.)

Mr. President, a new resolution, LR 64 offered by Senator Beutler and a number of the members. (Read. See pages 900-902 of the Legislative Journal.)

The last item I have, Mr. President, is a request from Senator Wesely to add his name to 201; and Senator Sieck to 312.

SENATOR BEUTLER: No objections, so ordered.

CLERK: I have nothing further, Mr. President.

SENATOR BEUTLER: Senator Chizek, would you adjourn us to Monday, March 11, 1985, at 9:00 a.m.

SENATOR CHIZEK: Mr. Chairman, I make a motion that we adjourn until March 11, Monday, at 9:00 a.m.
