

several of the senators, and the debates on the amendments we've had this morning and the bill as it stands now, the amendments coming up, many of them are confused and would like more information, and would like to discuss this further with the banks and financial institutions in their district and see how it would affect them. So I'm suggesting that we wait one week. This is a tremendous bill that we are going through. The amendments are even more difficult to understand. I would like to suggest that the members of the Legislature vote to bracket this bill for one week. Many of the state senators now are gone, left for lunch, possibly wouldn't even be here to vote on it. I suggest that we bracket the bill for one week.

SPEAKER NICHOL: We have several lights on and I would like to finish this bill today. We'd like to get to Select after lunch, however, I think what we'll do with this priority motion coming on, which is debatable, we'll take this up after lunch, the Labedz amendment, first thing and see how that comes out. So what I'm saying to you is we'll continue with 717 after lunch in an attempt to at least dispose of this bill some way or another today, and go to Select File the rest of the afternoon. I'm also giving you a little warning that the crunch has started to come on. In way of suggestion, let's try to be back on time after lunch and start a little more on time in the morning, which would help us out some. I hate to go working later at night because you have been diligent and working hard. When we get past four o'clock many get tired and some of us get a little unpleasant. So, Senator Smith, would you like to recess us until one-thirty, please. Do you have anything to read in, Mr. Clerk?

CLERK: Senator, if I might read quickly. Two new A bills, 273A, a bill by Senator Vard Johnson. (Read by title for the first time.) LB 715A, by Senator Vard Johnson. (Read by title for the first time. See page 1890 of the Legislative Journal.)

SPEAKER NICHOL: Senator Smith.

SENATOR SMITH: Mr. Speaker, I would make the motion to
