know they are. So you are going to turn around and pay it. So as far as a savings to the taxpayers, it is just not going to be there. It is just a matter of which pocket it comes out of. I would urge you to return this bill for amendment.

SPEAKER NICHOL: The question is the return of a bill...of the bill for a specific amendment. All those in favor vote aye, opposed nay. It takes 25 votes. Two are excused. Have you all voted? Senator Remmers.

SENATOR REMMERS: How many are excused?

SPEAKER NICHOL: Two.

SENATOR REMMERS: Let's have a call of the house and make a try for it.

SPEAKER NICHOL: Okay. The question is, shall the house go under call? We're on Final Reading and we should all be here, but would you please check in and we'll find out...

SENATOR REMMERS: And a roll call vote.

SPEAKER NICHOL: All right. Would you please record your presence. Would you please turn off your speaking lights so it looks a little better up here. Thank you. Senator Labeledz, would you turn off your speaking light and record your presence. Thank you. Senator Schmit, would you turn off your speaking light and turn on your presence light. Thank you. Senator Morehead. Senator Vickers. Senator Rod Johnson and Senator Chambers. That is all we are looking for.

CLERK: Mr. President, while we are waiting I have amendments from Senator Pirsch to 144 to be printed; an amendment to 247 from Senator Pirsch to be printed. Senator Wesely has amendments to 722, Senator Vickers to 204; and new resolution, 268, by Senators Hall and Labeledz. (Read introduction.) That will be laid over. (See pages 2295-99 of the Legislative Journal.)

SPEAKER NICHOL: We're looking for Senator Rod Johnson and Senator Chambers. Now we are looking for Senator Rod Johnson. Mr. Sergeant-at-Arms, do you know where Senator Rod Johnson is? He is on his way. Okay, roll call vote.
