PRESIDENT: (Gavel.)

SPEAKER NICHOL: Thank you, sir. I appreciate it. We will want to save plenty of time toward the end of the session for appropriations and revenue bills. As you heard the news yesterday, bad news that ruined your evening, we are a little behind again on our money. It is not coming in like we thought it would. If that trend continues, of course, we will have a rougher time toward the end of the session. With that, if you have any questions, please contact me and we will try to work them out. We will be back on many of the bills as they appear in the calendar and we will go from there. Thank you.

PRESIDENT: Thank you, Mr. Speaker. Further introduction of bills.

CLERK: Mr. President, new bills. (Read titles for the first time to LB 772-799. See pages 120-125 of the Legislative Journal.)

Mr. President, new constitutional amendment, LR 304 offered by Senator Warner. (Read explanation of resolution.) LR 305 also is a constitutional amendment offered by Senators Chizek, Hefner and Beutler. (Read explanation.) LR 306 proposed by Senator DeCamp. (Read explanation. See pages 125-29 of the Legislative Journal.)

Mr. President, LB 800. (Read title for the first time.) LB 801 offered by Senator John DeCamp. (Read title for the first time. See pages 129-30 of the Legislative Journal.)

PRESIDENT: We have finished now with the introduction of all bills at hand and will now proceed to the agenda, item number 8, and the Chair recognizes Senator Morehead. May we have order in the Chamber, please. (Gavel.) Senator Morehead.

SENATOR MOREHEAD: Mr. Lieutenant Governor, I move to adopt the permanent rules.

PRESIDENT: The motion has been made to adopt the permanent rules. Are there amendments?
