LB 898A, 1143A, 1172A

SENATOR R. JOHNSON: Mr. President, very briefly, I would just move for the advancement of the A bill to catch up with LB 898 which deals with the milk provisions for the Department of Agriculture, creates a cash fund. As I said, I think the Legislature has given this approval up to Final Reading, so we just need the A bill to catch up with the authorizing legislation.

SENATOR V. JOHNSON: Thank you, Senator Johnson. Again there are no lights on to discuss LB 898A, in which case I will call for a vote to advance it to E & R Initial. Record, please.

CLERK: 30 ayes, 0 nays on the motion to advance that bill, Mr. President.

SENATOR V. JOHNSON: The bill is advanced. The next measure is LB 1143A. Senator Hefner, could you, as the Vice-Chairman of the Revenue Committee, just whisper into your microphone 1143A.

SENATOR HEFNER: Mr. President and members of the body, I move for the advancement of LB 1143A. This is an appropriation bill that will cover this bill for the testing of alcohol in gasoline. I think it runs about 60 or 65 thousand dollars for the next fiscal year. But I believe that we need to get started. This would allow the Department of Agriculture and the Department of Revenue to work in conjunction and test at least 10 percent of those...the fuel for 10 percent of those dealers that sell gasoline with alcohol in them. So, at this time, I would move for the advancement of this bill.

SENATOR V. JOHNSON: Thank you, Senator Hefner. There are no lights on. The motion before us is the advancement of 1143A from General File to E & R Initial. Record, please.

CLERK: 28 ayes, 2 nays on the motion to advance the bill, Mr. President.

SENATOR V. JOHNSON: The bill is advanced. The final bill this morning is LB 1172A. Senator Vickers is to discuss that measure, please.

SENATOR VICKERS: Mr. President, members, 1172A is the A bill for 1172. LB 1172 is the bill to create a Higher
