

SPEAKER NICHOL PRESIDING

SPEAKER NICHOL: Good morning, ladies and gentlemen, welcome to the Nebraska Unicameral Legislature. We have with us this morning our own Senator Cal Carsten who will give the invocation. Would you please rise.

SENATOR CARSTEN: (Prayer offered.)

SPEAKER NICHOL: Thank you, Senator Cal, that was very appropriate and we appreciate it. We will have roll call, please.

SENATOR BEYER: It is with a great deal of pleasure that I get to talk a little bit, tomorrow is Agricultural Day, March 20th. I, unfortunately, will not be here so I am taking the opportunity today to hand out some little note pads from the Nebraska Agriwomen's group. Now this is a group of women that started out being called the Nebraska Ag Gals. They then went and joined with the National Agriwomen so they now call themselves the Nebraska Agriwomen. Mrs. Lloyd Royal is President. She is from my district and has been real active in this organization. So they just wanted to give these to you so it would remind you about Agricultural Day tomorrow. So you will have those on your desks. Thank you.

SPEAKER NICHOL: Thank you. While the Legislature is in session and capable of transacting business, I propose to sign and do sign, LR 370, LR 371, LR 372, and LR 369. We will move on to resolutions. May I suggest to you that there is a transposition of page numbers on those resolutions. The first one is on page 1387 and the second one is on page 1376. Mr. Clerk, 367.

CLERK: Mr. President, resolution 367 by Senator Eret on page 1387.

SPEAKER NICHOL: Senator Eret.

SENATOR ERET: Mr. Speaker and members of the Legislature, the Nebraska State Custodian Association, NSCA, is an organization that is dedicated to maintaining a sanitary and safe environment to Nebraska hospitals, long-term care centers, public institutions, private and public office buildings, and business establishments. The NSCA
