SPEAKER NICHOL: Half minute.

SENATOR SCHMIT: And I would suggest that it is very difficult in most instances for that to take place if the other party doesn't want it to occur. Now I don't...I don't think you recognize, ladies and gentlemen, the seriousness of what you are doing. I think you should adopt my amendment and remove that language from this statute. I think it is a mistake to keep it in there.

SPEAKER NICHOL: The question is the adoption of the Schmit amendment. All those in favor vote aye, opposed nay. We are voting on the adoption of the Schmit amendment. Yes, sir.

SENATOR SCHMIT: A call of the house, please.

SPEAKER NICHOL: All right. The question is, shall the house go under call? We really are on Final Reading so will you check your presence, please, and all those not in the Chamber, please return to the Chamber because we are on Final Reading anyway. So if you would check to see if your green light is lit, we will round up the troops. Sergeant-at-Arms, will you please bring those in who have wandered astray. Please look up to see if your green light is lit. Senator Withem, Senator Scofield, Senator Hannibal, Senator Lynch, Senator Wesely, Senator Eret, Senator Landis, Senator Chambers, Senator Pirsch, Senator Hall. Senator Haberman, thank you. Would you folks please stand and be recognized by the Legislature. Thank you for visiting us this morning. While the Legislature is in session and capable of transacting business, I propose to sign and do sign, LB 675, LB 756, LB 762, LB 796, LB 888, LB 891, LB 896, LB 901, LB 912, LB 948, LB 969, LB 971, LB 973, LB 975, LB 795, and LB 795A. How are we coming? Are we all here? All right, the question is the adoption of the Schmit amendment. Okay, the motion is to return the bill first so we are voting on the return of the bill. All those in favor vote aye...okay, Senator Schmit, we started a machine vote. Do you want a machine vote, roll call, or
