It appears we are going to have a change in the agenda as has just been announced and rather than...give us a little bit more time on the override motions, we will proceed to item 11 on the agenda, on the second back page on considering resolutions. The first is LR 345.

CLERK: Mr. President, LR 345 was a resolution that was introduced by the Speaker, Senators Schmit, Chronister, Peterson, Haberman, Rod Johnson, Baack, and Sieck. It is found on page 893 of the Journal. The resolution was referred to Public Works for purposes of conducting a public hearing, Mr. President. The resolution was reported to the Legislature for its consideration. The resolution is now before us.

PRESIDENT: All right. Senator...oh, there you are. Senator Nichol.

SPEAKER NICHOL: Yes, Mr. President, members of the Legislature, this resolution was given to me by former Governor Charles
