SPEAKER WITHEM: (Microphone not activated) ...staying in session this morning waiting for new bills to be introduced. It would be my desire probably at about eleven-thirty to entertain a motion for adjournment, unless there are some members who will not have their bills ready for introduction prior to that time and for some special reason I think it's important to get their bills introduced today. If there is anybody that that eleven-thirty adjournment time will cause a problem for, let me know and we can adjust that. Otherwise, I'll probably be calling upon somebody to make that motion at about eleven-thirty. To welcome some guests of ours, in the north balcony, guests of Senator Crosby, we have 20 eighth graders from Helen Hyatt School here in Lincoln and their teacher. If the body would please welcome them, we would appreciate it.
