CLERK: Mr. President, new bills. (Read LB 293-300 for the first time by title. See pages 216-17 of the Legislative Journal.)

Mr. President, in addition to those items, a series of Vice Chairmanships; Business and Labor selected Senator Vrtiska; Rules Committee, Senator Bromm; Urban Affairs, Senator Schimek; Natural Resources, Senator Bromm; Agriculture Committee, Senator Cudaback.

Mr. President I have a Rules Committee report regarding rules changes that will be offered and considered by the Legislature tomorrow. Those rules changes will be inserted in the Journal. (See pages 218-23.) And I also have a proposed rules change by Senator Witek to print. (See pages 224-25 of the Legislative Journal.)

Mr. President, a series of adds; Senator Pedersen would like to add his name to LB 146, Senator Brown to LB 232, Senator Schellpeper to LB 246.

SENATOR BERNARD-STEVENS: Thank you, Mr. Clerk. We will continue to stand at ease. Again, for the senators who may be listening downstairs or still in the Chamber, there will be a rules discussion tomorrow on the rules proposed and submitted to the Clerk of the Legislature now currently on file. So that will be tomorrow morning, we will have the rules discussions for those that are interested. We will at this point continue to stand at ease. Senators wishing to get bills in, and you want to get them in today, I would suggest that you'd try to get them up here in the next few minutes. Again, senators wishing to get the bills introduced today will probably need to be up on the floor here in the next few minutes in order to get that accomplished. We will continue to stand at ease.
