

team who won the State Class C-1 boys' basketball championship. They defeated Fairbury in the finals. They had a very tough tournament. They won their first game by one point, won their second game by two points in an overtime, and then went on to win the finals. This is the boys' first appearance to state since 1929, and wish to congratulate them and their coach, Rick Peters and the assistant coach, Brad Wells, for their outstanding accomplishments this year. And also would just like to tell Senator Schellpeper that the coach he was referring to used to be from Ord. So, with that, thank you.

SENATOR CROSEY: Thank you, Senator Schmitt. LR 77.

ASSISTANT CLERK: LR 77 was introduced by Senators Day, Robak, Schellpeper and Dierks. It's found in the Journal on page 1117.

SENATOR CROSBY: Senator Day.

SENATOR DAY: Thank you, Madam Speaker. I'd much rather be offering congratulations to my basketball than the legislative resolution that I'm introducing this morning. What I would like to have the Legislature do is share with me in expressing sympathy to the Carl Maltas family of Norfolk. Carl Maltas was on the city council of Norfolk, he served as mayor, he served as president of the League of Municipalities, and he's been currently serving on the State Board of Health. He was very active in our community, very dedicated to our community, also very active in state and very dedicated to the State of Nebraska. He passed away with a heart attack last week, after having some heart trouble over a period of time. He left his wife and three children. Now, two of his children, I know, are in the teaching profession, I'm not sure on the third one, so they've been a very community-minded family in all their stay in Norfolk, Nebraska. And I would just like to have the Legislature express our sympathy. Thank you.

SENATOR CROSBY: Thank you, Senator Day. LR 78.

ASSISTANT CLERK: LR 78 is introduced by Senator Matzke. It's found on page 1125 of the Journal.

SENATOR CROSBY: Senator Matzke.

SENATOR MATZKE: Thank you, Madam President and members of the Legislature. Paxton is primarily known for the site of Oley's
