

Nebraska. Senator Schellpeper and I just wanted to relay that to you, that sometimes your remarks get a little, you know, you get carried away with them. So we just want to give due to the Wisner-Filger State Championship girls' team.

SENATOR LANDIS PRESIDING

SENATOR LANDIS: Thank you, Senator Robinson. Senator Matzke. Senator Matzke, your light is indicated. It's on to speak. Going to waive that. Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Chairman and members. Senator Maurstad, you mentioned that you were the referee for the Laurel game. You don't wear glasses, do you? The comment was made by the Laurel people that one of the refs sure needed glasses. (Laughter.) I didn't know whether that was you or some of the other refs. But they said, one ref sure needed glasses that was officiating.

SENATOR MAURSTAD: Senator, I'll certainly pass that on to my partner.

SENATOR SCHELLPEPER: Okay, thank you.

SENATOR LANDIS: Thank you, Senator Schellpeper. There's one other light remaining on the resolutions and that's Senator Dierks. Senator Dierks.

SENATOR DIERKS: Thank you, Mr. Chairman. I'm...I have to also respond to Senator Maurstad's remarks. You know in 1983, I believe, he was officiating the state boys' basketball tournament and my son, Chris, was playing with the Ewing team, and they were playing in the finals against Grant. Ewing lost the game and we felt at the time that one of the Grant starters traveled every time he got the ball, but the referee failed to see that. And I was watching the Elgin game the other night and I noticed at half time that Senator Maurstad walked out rather lame, so I hurried right down to the locker room and offered to substitute for him the second half, but they thought they had someone better to do that. But I just wanted to get that on the record for you. Thank you.

SENATOR LANDIS: Thank you, Senator Dierks. That's the last remaining light and we'll proceed now, Mr. Clerk, to a vote on the resolutions. And these have been lumped together, one vote
