LB 455, 613

SENATOR WITEK: I have not checked that section, although I should have.

SENATOR CHAMBERS: Okay, could it be the specific dollar amounts that Nebraska has laid in terms of how much people will receive?

SENATOR WITEK: If you tell me that...

SENATOR CHAMBERS: Okay, well, let me not do it that way. Are you aware that the amounts that people receive are set out in dollar amounts? And that's why when those of us who want to raise it, we have to say from \$71 to 76,...

SENATOR WITEK: Yes.

SENATOR CHAMBERS: ...rather a percentage of anything?

SENATOR WITEK: Yes.

SENATOR CHAMBERS: Okay. Do you have a bill dealing with a lid of some kind, LB 613?

SENATOR WITEK: I do. I do.

SENATOR CHAMBERS: Does it tie any increase which is supposed to be done to the increase in the Consumer Price Index?

SENATOR WITEK: No.

SENATOR CHAMBERS: It doesn't?

SENATOR WITEK: No.

SENATOR CHAMBERS: That wouldn't be in your bill?

SENATOR WITEK: (Laughter.) I don't think it is.

SENATOR CHAMBERS: Okay, you wouldn't have anything like that...

SENATOR WITEK: Not from what I've...

SENATOR CHAMBERS: ...in your bill, would you?

SENATOR WITEK: Does not tie it to the Consumer Price Index.
