CLERK: Senator Hall would move to amend the committee amendments. (FA206 appears on page 2058 of the Legislative Journal.)

SENATOR CROSBY: Senator Hall, to open on your amendment.

SENATOR HALL: Thank you, Madam President and members, the amendment is handed out to you on the desk. It is hand-written. It deals with the Maurstad-Coordsen amendment that was adopted and it addresses the issue of striking the "Auditor of Public Accounts" and inserting "governing body" and then after the balance of the paragraph on line 15 it adds the following sentence, it says, "The calculation of unused anticipated aggregate receipts shall be included in the budget documents submitted to the Auditor of Public Accounts." It just makes the change that we talked about. Senator Maurstad, as I understand it, is in agreement with the amendment. He has seen it, but he appears to be off the floor right now, but I did draft it to take care of it while we were still on General File and would urge adoption of the amendment but stand ready to answer any questions that folks may have. Thank you.

PRESIDENT ROBAK PRESIDING
