

desire?

SPEAKER WITHEM: I don't think we'll do it at eleven-fifty, but as close after eleven-fifty as we can we'll do that.

SENATOR PRELSTER: I think at this time I will withdraw this amendment and I will resubmit an amendment that has the same intent in mind, but that perhaps is a little bit more narrowly defined and is a little cleaner in light of what Senator Schrock has proposed for an amendment that was already adopted and may make the process at least a little bit easier. Thank you.

SPEAKER WITHEM: It is withdrawn. Mr. Clerk...at this point we are going to go to amendments...to Select File bills without amendments on them. Mr. Clerk, can you begin on those bills? Senator Chambers, for what purpose are you rising?

SENATOR CHAMBERS: Where are these bills listed?

SPEAKER WITHEM: These bills are the Select...the agenda had indicated that any of these bills on Select File, from 209 down to 860A, that did not have amendments at this time, we would bring those up. At this point, Mr. Clerk, can you announce which those bills are?

CLERK: Mr. President, I have two bills, LB 860A and LB 418.

SPEAKER WITHEM: Mr. Clerk, let's go to LB 860A.

CLERK: LB 860A, Senator Maurstad, I have no amendments to the bill.

SPEAKER WITHEM: Senator Maurstad.

SENATOR MAURSTAD: This is the E & R amendments?

CLERK: No.

SENATOR MAURSTAD: Oh.

CLERK: No amendments, Senator.

SENATOR MAURSTAD: I move to advance LB 860A to E & R for engrossment.
