

February 22, 1996 LB 645

as I believe was the intent of the introducers. And with that I would ask the adoption of this somewhat technical amendment.

SPEAKER WITHEM: Senator Beutler, there is some confusion up here. You have two floor amendments, 423 and 425, 425, I believe, is the one you passed out. But we are considering 423, line 28, page 2, after comma 1,...or "(1)(a)" add "and (b)", is that what we're considering?

SENATOR BEUTLER: Yes, sir, that's just what I hopefully explained.

SPEAKER WITHEM: Thank you very much, Senator Beutler, for clarification. Senator Abboud.

SENATOR ABBOUD: Mr. President, colleagues, I support the technical change in the amendment offered.

SPEAKER WITHEM: Senator Beutler, no further lights on, recognized to close.

SENATOR BEUTLER: I'd simply ask for the adoption of the amendment.

SPEAKER WITHEM: All those in favor vote aye, opposed vote nay. Record.

CLERK: 25 ayes, 0 nays, Mr. President, on the adoption of Senator Beutler's amendment.

SPEAKER WITHEM: Mr. Clerk, next item.

CLERK: Senator Beutler, I now have floor amendment 424, Senator. That was printed on page 700 of the Legislative Journal.

SENATOR BEUTLER: Mr. Clerk, I'd withdraw that one.

SPEAKER WITHEM: It is withdrawn. Mr. Clerk.

CLERK: Senator Chambers would move to amend.

SPEAKER WITHEM: Senator Chambers.
