LB 642, 1044, 1044A, 1050  
LR 332

legislators, who should want deliberation to be a part of our process, should welcome the opportunity to review what it is we're doing. We were talking on that affordable housing bill of sending out this task force to give us information so that we would know. We thought it was more important to do that on a program much smaller in magnitude and scope than we see in terms of this, which is radically going to change government and deal with half of the spending and maybe half of the employees, or however it breaks down. I think Senator Beutler's...

SENATOR COORDSEN: Time.

SENATOR CHAMBERS: ...amendment is eminently reasonable.

SENATOR COORDSEN: Thank you, Senator Chambers. You've heard the closing. The issue before the body is the Beutler amendment to LB 1044. Those in favor of this amendment please vote aye, those opposed nay. Have you all voted?

SENATOR BEUTLER: Record vote.

SENATOR COORDSEN: Record vote has been requested. Please record, Mr. Clerk.

CLERK: (Read record vote. See pages 1032-33 of the Legislative Journal.) 18 ayes, 24 nays, Mr. President, on the amendment.

SENATOR COORDSEN: The amendment is not adopted. Items for the record, Mr. Clerk.

CLERK: Mr. President, Senator Robak offers LR 332, congratulating the Columbus Scotus girls' basketball team. Senator Beutler has amendments to LB 1050; Senator Hillman to LB 642; Senator Wehrbein and others to LB 1044A; Senator Wesely to LB 1044A. And I have a communication from the Speaker regarding LB 1050. (See pages 1033-37 of the Legislative Journal.) That's all that I have, Mr. President.

SENATOR COORDSEN: Thank you, Mr. Clerk. Senator Brown, would you like to recess us for lunch?

SENATOR BROWN: Mr. President, I move to recess until 1:30 this afternoon.
