LR 292, 352, 353

for me. I wish...some of you probably understand this better than me, but I think that's what it's coming down to. We're suggesting some time in the future we'll decide how we're going to spend it. What we need to do now is to get permission to make that decision. I think we can do a pretty good job making that decision, but I would like to know. I'd like to know if I could as soon as possible what kind of formula we're in fact talking about. I'd be more comfortable, more comfortable with this legislation; and I think I understand now what Senator David Bernard (sic) was talking about by suggesting this be taken out of the proposal.

SPEAKER WITHEM: Thank you, Senator Lynch. Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: After items for the record, I move to adjourn until 8:30 tomorrow morning.

SPEAKER WITHEM: Mr. Clerk, do you have any items for the record?

CLERK: Mr. President, I do. Reminder the Executive Board will meet tomorrow at 8:15 in Room 2102, the Exec Board tomorrow morning at 8:15 in Room 2102. Senator Wesely offers LR 352 congratulating Northeast High School boys' basketball team; LR 353 is by Senator Janssen asking the Legislature...it's an interim study resolution. That will be referred to the Executive Board. I have amendments, Mr. President. Senator Kristensen has amendments to LB 1218A; Senator Bromm, LB 1050; Senator Wesely, LB 496; Senator Warner, LB 1114; Senator Will, LB 299; Senator Withem, 299; Senator Warner, 299; and Senator Hartnett to LB 39, I'm sorry, LB 1362. I believe that's all that I have Mr. President. (See pages 1320-24 of the Legislative Journal.)

SPEAKER WITHEM: You've heard the motion to adjourn. All those in favor say aye; opposed. We are adjourned.
