

two subparts of LB 1265. One relates to financing agreements for real property acquisitions and capital construction projects within the State Capitol Environs district, as established by the statutes. That is this immediately surrounding geographical area here in Lincoln. The second subpart are financing agreements related to real property acquisition and capital construction beyond the Environs district. With regard to financing agreements within the Environs district specifically, LB 1265 provides that the projects shall not proceed without legislative appropriation and shall require the approval of the Governor and the Executive Board of the Legislative Council. For financing agreements relating to real property acquisition and capital construction outside the Environs district, it's...the 12...LB 1265 specifically imposes the limitation that it shall not be financed without the express approval of the Legislature, the approval being demonstrated through the capital construction budget process and the Legislature's appropriations process. This bill is limiting, narrowing, defining in all respects and we would urge its adoption.
