

different positions. The Health and Human Services Committee does recommend their approval and confirmation by the Legislature. Gary Pavel with the Rural Health Advisory Commission; Diane Schlotman with the similar...with the same commission; Phyllis Johnson, Commission for the Hearing Impaired; Dr. Zenor, Jerry Zenor, Commission for the Hearing Impaired; Gary Bieganski, the State Board of Health. Also we recommend Dr. Margaret Cavanaugh-Boyer to the Rural Health Advisory Commission. Others to that commission would include Michael Steckler, Dr. Bob Rhodes, Alice Kindschuh. And a person that we all, I think, know quite well and have a great deal of respect and admiration and more in feelings for, Connie Day has been appointed to the State Board of Health. We recommend all of these individuals to be confirmed by the Legislature. I'd ask for their adoption.
