Transcriber's Office

March 12, 1997      LR 86

but there was great history involved with it as well. For about two months they'll be traveling through Nebraska, stopping along that Mormon Trail. They'll be leaving from Florence in north Omaha, officially I think, on the 18th. Also today, to help us commemorate and recognize this resolution, there is going to be a celebration of that trek and of that commitment and of that dedication in the Rotunda. There'll be some people singing. It's a joyful thing indeed. I won't read the resolution. It's suffice to say that what we do by passing this resolution is recognize this part of Nebraska's history, and that great work done by those great folks. And I would ask for your support for the resolution.

SPEAKER WITHEM: Thank you, Senator Lynch. The question before the body, now then, is the adoption of LR 86. There are no lights on. Senator Lynch, I assume, would waive closing. We'll proceed to vote. The question is the adoption of the resolution. All in favor vote aye. Opposed vote nay. Mr. Clerk, please record. While the Clerk is recording I would announce that Senator Crosby has 23 second graders from Rousseau Elementary School in the north balcony along with their teacher Midge Reeder. Would you please stand and be recognized. Mr. Clerk.

CLERK: 18 ayes, 0 nays on adoption of the resolution, Mr. President.

SPEAKER WITHEM: The resolution is adopted. Senator Brown, did you have a motion you wanted to make?

SENATOR BROWN: Mr. President, members of the body, I would move to adjourn until 9:00 on March 13.

SPEAKER WITHEM: You've heard the motion. All of those in favor say aye. Opposed. We are adjourned.
