SPEAKER WITHEM: Senator Chambers, to open on your motion to reconsider.

And when you're...I ask to adjourn, you all have the votes. But if we would leave it up to me, and you all would agree not to vote, I'll vote to keep us here for the full eight hours, and I'll be here all eight of them, and I will be talking all eight of them. But what I want to show this afternoon is how this game is played, and I'll play it with you as long as you want to. And for those who have been ducking out all day, I want you all to understand something, before Senator Witek brought "witlessness"
