RECESS

SPEAKER WITHEM PRESIDING

SPEAKER WITHEM: Good afternoon, ladies and gentlemen, and welcome back to the George W. Norris Legislative Chamber. We're about to convene for our afternoon deliberations. I would encourage the members to return to the Chamber and record their presence. A quorum is present. Mr. Clerk, do you have any items for the record?

I don't know as I made a general announcement to that effect. I'm making that announcement now. At...we will continue with Final Reading, and at 2:00 I will ask the Clerk to pull up any of those additional motions that meet that criteria of being either compromise amendments or technical types of amendments. And if there's nothing on the desk at 2:00 along that line, then we will forgo that portion of the agenda and continue on with our Final Reading. Mr. Clerk, I believe, as we left this morning, we had completed LB 852. We're passing over 229 and 229A. Mr. Clerk, are there any amendments on
