SPEAKER WITHEM: Mr. Clerk, I'd like to make two announcements. First one, that the cookies today are being provided by the staff of Senator Owen Elmer. They are in recognition of Senator Elmer's forty-seventh birthday, which will be tomorrow. Senator Elmer, congratulations and thank you. And we also have guests under the balcony who I believe are here for purposes of the resolutions. We have Becky Beachler and her family, including her parents, Steve and Cindy, and her brothers and sisters. We also have, from Oakland, we also have Bryce Lambley, the girls track coach at Fremont Senior High, Mike Ronspies, the assistant girls track coach at Fremont High. We also have guests of Senator Beutler, Walt and Louella Canney from the Lincoln Electrical System. With that, Mr. Clerk, proceed with the agenda. I'm sorry, I understand you were just catching your breath and please continue with your additional items.

CLERK: Mr. President, very quickly, communication from the Clerk to the Secretary of State regarding transmittal of LB 255A, since no line-item override attempt was made. Announcement that Senator Bromm has been selected Vice Chair of Program Evaluation. And finally, Mr. President, a report from the State Claims Board. That report will be on file in the Clerk's Office. That's all that I had. (See page 2705 of the Legislative Journal.)

SPEAKER WITHEM: Senator Beutler, are you seeking recognition at this point? Mr. Clerk, first item of the agenda.
