

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

January 14, 1998

SPEAKER KRISTENSEN: Would the bill have to physic...

SENATOR BEUTLER: And when I say "as I understand it", all I'm trying to...I wanted to indicate first off that I have signed on to this, I espouse this, I believe that this is a better place to be than where we are before, but I'm not the principal introducer if for purposes of getting legislative intent.

SPEAKER KRISTENSEN: Well...

SENATOR BEUTLER: I'd be...I'm glad to respond though.

SPEAKER KRISTENSEN: Okay. Can I...

SENATOR BEUTLER: Don't misinterpret me.

SPEAKER KRISTENSEN: ...can I do this with you, because...

SENATOR BEUTLER: Okay.

SPEAKER KRISTENSEN: ...you talked to me about making some changes...

SENATOR BEUTLER: Yes.

SPEAKER KRISTENSEN: ...and that's where I started.

SENATOR BEUTLER: Okay.

SPEAKER KRISTENSEN: If there are other people who have different opinions that were the principal introducers, I hope they'd listen and help me along. Does the bill have to come up for debate? In other words, can I preempt that with Senator Hudkins's request immediately out of the box and not have the bill show on the agenda, just structure it before it ever reaches the floor?

SENATOR BEUTLER: Well, in order for you to structure it in the first instance there has to be a vote on it, of course.

SPEAKER KRISTENSEN: Right. But I would...
