

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 18, 1998 LB 1108

SPEAKER KRISTENSEN: Thank you, Madam President, members of the Legislature. I want to take two minutes before I move to adjourn us this evening. I appreciate those who have stayed and who've sacrificed their time. The temptation often is for the Speaker to complain about those who leave. The trouble is when he makes a speech like that, those people are never here to hear the fact, and so I want to make the observation, today was the forty-fifth day. I appreciate you staying. There's going to be many more nights that we need to put in to work. Thank you for those who did stay and, obviously, times are going to be getting short. The number of days are growing less. And, again, I don't want to complain about those who weren't here because they don't hear it, the best I can do is thank those of you who did stay. I move to adjourn until tomorrow morning at 9:00 a.m.

SENATOR CROSBY: Mr. Clerk.

CLERK: Mr. President, Madam President, one last item, Senator Abboud, an amendment to (LB) 1108 to be printed. That's all that I have. (See page 1160-61 of the Legislative Journal.)

SENATOR CROSBY: Okay. You've heard the motion to adjourn until nine o'clock tomorrow morning. All in favor say aye. Opposed no. We are adjourned.
