Transcriber's Office

April 1, 1998 LB 309, 341A, 1108, 1110, 1129, 1174, 1219

the call.

CLERK: Senator Jensen, amendments to be printed to (LB) 1129; Senator Beutler to (LB) 1174; Senator Bromm, (LB) 309. New A bill. (Read LB 341A by title for the first time.) I have Appropriations Committee report with respect to (LB) 1108 and a report with respect to (LB) 1110, and an override motion with respect to (LB) 1110, all signed by the Appropriations Committee. (See pages 1641-48 of the Legislative Journal.)

Senator Bromm would move to amend the Coordsen amendment.

SENATOR CROSBY: Senator Bromm, to open on your amendment.

SENATOR BROMM: Thank you, Madam President. This amendment which is before you, that I don't have a copy of at the instant time because we've been working on another one, is going to have a substitute. The amendment that's before you I think is AM... Mr. Clerk, which amendment is up right now?

CLERK: Well, it's your handwritten amendment, Floor Amendment 679, Senator.

SENATOR BROMM: Okay.

CLERK: Page 1, line 16 it starts.

SENATOR BROMM: Okay. This amendment would have provided for a study in connection with the idea that you would have to merge, consolidate or have a unification and, as opposed to that amendment, I would like to substitute an amendment which I believe is now being copied and which I think has been signed on to by Senator Coordsen and Senator Beutler and I'll give...if that substitution occurs I'll give them a portion of the opening. I think the substituted amendment hopefully, Madam President and fellow senators, will be a compromise situation whereby the receiving districts that do receive money will have to make a good faith effort to have a merger...

SENATOR CROSBY: Senator Bromm.

SENATOR BROMM: Yes.
