April 17, 2002

Mr. President, Mr. Speaker, and
Members of the Legislature
State Capitol
Lincoln, NE 68509

Dear Mr. President and Members of the Legislature:

With this letter I am returning LB 22A without my signature and with my objections.

I support the provisions of LB 22 that will ensure that all deaf and hard of hearing Nebraskans receive competent interpretation services through providing qualified and licensed sign language interpreters.

LB 22A is not required for the implementation of LB 22. The Supreme Court is able to absorb the \$5,000 per year fiscal impact as it was not subject to additional budget reductions during the 2002 Legislative Session.

I urge you to sustain my veto of LB 22A.

Sincerely,
(Signed) Mike Johanns
Governor
