want Senator Wehrbein to know that we won't be arguing only about this bill that is before us now, and he has not argued about it, but he's going to support it, I presume. But when we get to that other bill, I am going to deal with that in the way that I think I should. I'm hoping that when any vote may be taken on this bill it will not be successful. But remember this, there is an A bill.

SPEAKER BROMM: Time.

SENATOR CHAMBERS: Thank you, Mr. Speaker.

SPEAKER BROMM: Thank you, Senator Chambers. (Visitors introduced.) Mr. Clerk, do you have some messages or announcements?

CLERK: I do, Mr. President, thank you. An explanation of vote from Senator McDonald (re: LB 97, LB 118, LB 149, LB 200, LB 235, LB 258, LB 307, LB 349, LB 354, LB 444, LB 464, LB 476, LB 480, LB 481, LB 494, LB 498, LB 510, LB 521, LB 548, LB 610, LB 701, LB 707, LB 112, LB 148, LB 197, LB 267). An amendment to be printed to LB 759 by Senator Jones. Senator Wehrbein offers LB 403A. (Read by title for the first time.) And I have two confirmation reports, both from General Affairs Committee. And that's all that I had, Mr. President, other than a priority motion. (Legislative Journal pages 1472-1474.)

SPEAKER BROMM: Before the priority motion, the Chair would recognize Senator Wehrbein, if he would like to remind us of the appropriations activity or briefing that's going to occur.

SENATOR WEHRBEIN: Thank you, Mr. Speaker and members. At 1:15, down in 1524, will be a briefing on the budget after lunch and it will last until we have time to come up here, which we'll start at 2:00, Mr. Speaker. So there will be a 45-minute area for you if you'd...it would help to bring your yellow book if you have it. Otherwise, we do have more, I think, printed by now. We were short on Friday. But that will be a briefing from 1:15 to 2:00, 1524. If I'm wrong, it will be across the hallway at 1525. I think it's 1524.
