is advanced. Mr. Clerk, items?

CLERK: Mr. President, an amendment to LB 759 to be presented by Senator Brashear, to be printed I should say. LR 97, a study resolution by Senator Combs, will be referred to the Executive Board. And bills read on Final Reading this afternoon were presented to the Governor at 2:15 p.m. (re: LB 143, LB 143A, LB 160, LB 255, LB 305, LB 358, LB 367, LB 500, LB 667, LB 667A, LB 724, LB 735, LB 735A.) A reminder, Mr. President, the Appropriations Committee will meet upon adjournment in Room 1003. That's all that I have. (Legislative Journal pages 1729-1730.)

SENATOR CUDABACK: Speaker Bromm, would you like to say something?

SPEAKER BROMM: Thank you, Mr. President. Members, thank you again. I think progress is sometimes hard to measure, but I believe that there was progress this week. The next two weeks will be pretty heavy lifting for all of us, and we have put out the...a memo, which has been amended twice already, which I hope is not any indication of the days to come. Not used to having Speaker memos amended, but I guess we're going to be doing a lot of things we're not used to doing probably. I would just say that we will work as long as we're productive, I think for the most part. This weekend I'm sure there will be many who will be studying where we're at in terms of the appropriations bills and the revenue package, and so hopefully we can spend the time to start getting ends to meet in the next two weeks. So with that, have a good weekend and we'll see you all on Tuesday.

SENATOR CUDABACK: Thank you, Speaker Bromm. Mr. Clerk.

CLERK: Yes, sir.

SENATOR CUDABACK: Speaker Bromm, did you have a motion?

SPEAKER BROMM: I would move that we adjourn until next Tuesday, the 12th of May, at 9:00 a.m.

SENATOR CUDABACK: You've heard the motion to adjourn until 12th
