Summary of purpose and/or changes:

LB 1043 would have amended section 77-1344 to provide that special value (greenbelt) remain available for agricultural land within city limits if it was granted special value prior to annexation and continues to be used for agricultural purposes. Currently, there can be no special value for land within city limits unless it is subject to a conservation easement.

Explanation of amendments, if any:

Senator David Landis, Chairperson
