GENERAL FUNDS				
CASH FUNDS				
FEDERAL FUNDS				
OTHER FUNDS				
TOTAL FUNDS				

\*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 114 would require the Department of Agriculture to adopt rules and regulations that adopt a standard for all honey produced by honey bees. It further provides that a product shall not be labeled as honey unless it meets the standards for honey adopted by the department.

It is estimated that rule and regulations could be developed using existing staff resources. Because LB 114 does not authorize the Department of Agriculture to carry out enforcement actions, no other costs are anticipated.
