LB 121 eliminates the State Fire Marshal's tracking duties under the Volunteer Emergency Responders Recruitment and Retention Act.

Currently, the State Fire Marshal has \$12,066 per year in General Funds to perform these duties. Enactment of LB 121 would eliminate the need for these General Fund dollars.

COMMENTS

STATE FIRE MARSHAL: Concur with agency analysis relative to the State Fire Marshal, except the savings would also apply to FY 2012-13 as the \$12,066 is currently included in the agency's base appropriation level for Program 415 for FY 2010-11.
