LB 250 exempts motor carriers providing limousine service from Public Service Commission regulation.

The PSC estimates that the service being exempted will reduce the need for 1.0 staff position and save \$74,000 per year of General Funds. The bill's impact will also include an estimated General Fund revenue loss from applications and plate fees of \$12,050 per year. There is no basis to disagree with these estimates.

COMMENTS					
PUBLIC SERVICE COMMISSION – Included in the Governor's budget recommendations is an agency-identified budget modification related to the Director of the Transportation Division. This totaled \$87,114 in General Fund reductions. The agency's estimate of impact for LB250 appears to be reasonable.
