This bill would transfer a county court judgeship to another district. The bill has the emergency clause.

This bill would move a county court judge from District 5 (Merrick, Platte, Colfax, Boone, Nance, Hamilton, Polk, York, Butler, Seward, and Saunders) to District 3 (Lancaster).

The Nebraska Supreme Court pays the personal services and travel costs for all county court staff and judges. Counties are responsible for the costs associated with providing operating expenses, equipment and facilities.

Because the bill moves a judge from one district to another district, there would not be a fiscal impact at the state level.

The Supreme Court estimates no significant fiscal impact.

Since counties are responsible for operating expenses, equipment and facilities, District 5 (losing a judge) could see an expenditure reduction while District 3 (gaining a judge) could see an expenditure increase. At this time, the Legislative Fiscal Office has no information about the amount of the expenditure decrease or increase.
