This bill would provide signage requirements and duties for the Nebraska State Patrol regarding concealed handguns.

The State Patrol states that it can create a sign that meets the requirements of the bill and post it on their website, and the sign can be printed from the website and posted according to the requirements of the bill.

The State Patrol states that the bill does not require them to provide signs. The cost of creating and distributing paper signs would be about \$500 for each 1,000 signs.
