This bill would define "certified traffic personnel" and authorize their use at special events.

It appears that this bill will not have a fiscal impact on the state.

IMPACT ON POLITICAL SUBDIVISIONS: The City of Lincoln states that they currently use Public Service Officers in some instances. They further state that the bill might require use of higher paid law enforcement officers.

COMMENTS

CITY OF LINCOLN – No basis to dispute City analysis, although public service officers could possibly still qualify if they could be considered "certified traffic personnel" with training.
