

One Hundred Fifth Legislature - First Session - 2017

Introducer's Statement of Intent

LB591

Chairperson: Senator Justin Wayne

Committee: Urban Affairs

Date of Hearing: February 07, 2017

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 591 provides a mechanism for the Department of Labor to revoke a contractor's registration under the Contractor Registration Act if presented with substantiated evidence that the contractor willfully failed to bring a building or buildings into compliance with applicable state and local building codes or the Nebraska Energy code if the contractor does not take the necessary actions to correct these violations within the timeframe determined by the Commissioner. After a contractor's registration has been revoked, it can be reinstated when the contractor provides substantiated findings from the appropriate code officials to the Department of Labor that all of the necessary corrective actions have been taken and the building or buildings have been brought into compliance with state and local building codes and the Nebraska Energy Code.
