Sec. 10. (1) For taxable years beginning or deemed to begin on or after January 1, 2017, there shall be allowed to an employer of any eligible employee a nonrefundable credit, for not more than two years, against the income tax imposed by the Nebraska Revenue Act of 1967 in the amount of twenty percent of the employer's annual expenditures for any of the following services that are provided to eligible employees and that are incidental to the employer's business:

(a) The payment of tuition at a Nebraska public institution of postsecondary education or the payment of the costs associated with a high school equivalency program for eligible employees; and

(b) The provision of transportation of eligible employees to and from work.

(2) The credit allowed under this section for any taxable year shall not exceed the employer's actual tax liability for such taxable year.

(3) The Department of Revenue shall submit a report electronically to the Clerk of the Legislature on or before July 1 of each year on (a) the number of employers claiming a credit under this section and (b) the number of eligible employees receiving the services for which credits are claimed.

(4) The Department of Revenue, in consultation with the Department of Health and Human Services, shall develop a process to verify that any employer claiming credits under this section qualifies for such credits.

(5) The Department of Revenue may adopt and promulgate rules and regulations necessary to carry out this section.

(6) For purposes of this section, eligible employee means a parent or responsible relative who is a member of a family that received benefits under the state or federally funded Temporary Assistance for Needy Families program established in 42 U.S.C. 601 et seq., for any nine months of the eighteen-month period immediately prior to the employee's hiring date.

Sec. 11. Section 77-2904, Revised Statutes Supplement, 2015, is amended to read:

77-2904 (1) Any person incurring eligible expenditures may receive a nonrefundable credit against any income tax imposed by the Nebraska Revenue Act of 1967 or any tax imposed pursuant to sections 44-101 to 44-165, 77-907 to 77-918, or 77-3801 to 77-3807 for the year the historically significant real property is placed in service. The amount of the credit shall be equal to

twenty percent of eligible expenditures up to a maximum credit of one million dollars. Any taxpayer that claims a tax credit shall not be required to pay any additional retaliatory tax under section 44-150 as a result of claiming such tax credit. Any tax credit claimed under this section shall be considered a payment of tax for purposes of subsection (1) of section 77-2734.03.

(2) To claim the credit authorized under this section, a person must first apply and receive an allocation of credits and application approval under section 77-2905 and then request and receive final approval under section 77-2906.

(3) Interest shall not be allowed on any refund paid under the Nebraska Job Creation and Mainstreet Revitalization Act.

Sec. 12. Section 77-2905, Revised Statutes Cumulative Supplement, 2014, is amended to read:

77-2905 (1) Prior to commencing work on the historically significant real property, a person shall file an application for credits under the Nebraska Job Creation and Mainstreet Revitalization Act containing all required information with the officer on a form prescribed by the officer and shall include an application fee established by the officer pursuant to section 77-2907. The officer shall not accept any application for credits prior to January 1, 2015. The application shall include plans and specifications, an estimate of the cost of the project prepared by a licensed architect, licensed engineer, or licensed contractor, and a request for a specific amount of credits based on such estimate. The officer shall review the application and, within twenty-one days after receiving the application, shall determine whether the information contained therein is complete. The officer shall notify the applicant in writing of the determination within five business days after making the determination. If the officer fails to provide such notification as required, the application shall be deemed complete as of the twenty-first day after the application is received by the officer. If the officer determines the application is complete or if the application is deemed complete pursuant to this section, the officer shall reserve for the benefit of the applicant an allocation of credits in the amount specified in the application and determined by the officer to be reasonable and shall notify the applicant in writing of the amount of the allocation. The allocation does not entitle the applicant to an issuance of credits until the applicant complies with all other requirements of the Nebraska Job Creation and Mainstreet Revitalization Act for the issuance of credits. The date the officer determines the application is complete or the date the application is deemed complete pursuant to this section shall constitute the applicant's priority date for purposes of allocating credits under this section. For complete applications receiving an allocation under this section, the officer shall determine whether the application conforms to the standards, and, if so, the officer shall approve such application or approve such application with conditions. If the application does not conform to the standards, the officer shall deny such application. The officer shall promptly provide the person filing the application and the department with written notice of the officer's determination. If the officer does not provide a written notice of his or her determination within thirty days after the date the application is determined or deemed to be complete pursuant to this section, the application shall be deemed approved. The officer shall notify the department of any applications that are deemed approved pursuant to this section. If the officer denies the application, the credits allocated to the applicant under this subsection shall be added to the annual amount available for allocation under subsection (2) of this section. Any denial of an application by the officer pursuant to this section may be appealed, and the appeal shall be in accordance with the Administrative Procedure Act.

(2) For calendar years beginning before January 1, 2017, the total amount of credits that may be allocated by the officer under this section in any calendar year shall be limited to fifteen million dollars. For calendar years beginning on or after January 1, 2017, the total amount of credits that may be allocated by the officer under this section in any calendar year shall be limited to fifteen million dollars, of which four million dollars shall be reserved for applications seeking an allocation of credits of less than one hundred thousand dollars. If the amount of credits allocated in any calendar year is less than fifteen million dollars, the unused amount shall be carried forward to subsequent years and shall be available for allocation in subsequent years until fully utilized, except as otherwise provided in section 77-2912. If the amount of credits reserved for applications seeking an allocation of credits of less than one hundred thousand dollars is not allocated by April 1 of any calendar year, such unallocated credits for the calendar year shall be available for any application seeking an allocation of credits based upon the applicant's priority date as determined by the officer. The officer shall allocate credits based on priority date, from earliest to latest. If the officer determines that the complete applications for credits in any calendar year exceed the maximum amount of credits available under this section for that year, only those applications with a priority date on or before the date on which the officer makes that determination may receive an allocation in that year, and the officer shall not make additional allocations until sufficient credits are available. If the officer suspends allocations of credits pursuant to this section, applications with priority dates on or before the date of such suspension shall retain their priority dates. Once additional credits are available for allocation, the officer shall once again allocate credits based on priority date, from earliest to latest, even if the priority dates are from a prior calendar year.

(3) Prior to December 1 of any year, the holder of an allocation of credits under this section who has not commenced the improvements in his or her approved application shall notify the officer of his or her intent to retain or release the allocation. Any released allocation shall be added to the aggregate amount of credits available for allocation in the following year. Any holder of an allocation who fails to timely notify the officer of such intent shall be deemed to have released the allocation.

(4) The holder of an allocation of credits whose application was approved under this section shall start substantial work pursuant to the approved application within twenty-four months after receiving notice of approval of the application or, if no notice of approval is sent by the officer, within twenty-four months after the application is deemed approved pursuant to this section. Failure to comply with this subsection shall result in forfeiture of the allocation of credits received under this section. Any such forfeited allocation shall be added to the aggregate amount of credits available for allocation for the year in which the forfeiture occurred.

(5) Notwithstanding subsection (1) of this section, the person applying for the credit under this section may, at its own risk, incur eligible expenditures up to six months prior to the submission of the application required under subsection (1) of this section if such eligible expenditures are limited to architectural fees, accounting and legal fees, and any costs related to the protection of the historically significant real property from deterioration.

Sec. 13. Section 77-2909, Revised Statutes Cumulative Supplement, 2014, is amended to read:

77-2909 (1) Persons who receive the original issuance of credits from the department under section 77-2906 may transfer, sell, or assign up to fifty percent of such credits to any person or legal entity. If the person who receives the original issuance of credits from the department is a political subdivision or a tax-exempt entity under section 501(c)(3) of the Internal Revenue Code of 1986, as amended, such fifty-percent limitation shall not apply.

(2) The credits allowed to be transferred, sold, or assigned pursuant to subsection (1) of this section may thereafter be transferred, sold, or assigned multiple times, either in whole or in part, by or to any person or legal entity.

(3) Any person acquiring credits under this section may use such credits to offset up to one hundred percent of such person's income tax due under the Nebraska Revenue Act of 1967 or any tax due under sections 44-101 to 44-165, 77-907 to 77-918, or 77-3801 to 77-3807 in the year the historically significant real property is placed in service and in subsequent years until all credits have been utilized, except as otherwise provided in section 77-2912. Any taxpayer that claims a tax credit shall not be required to pay any additional retaliatory tax under section 44-150 as a result of claiming such tax credit. Any tax credit claimed shall be considered a payment of tax for purposes of subsection (1) of section 77-2734.03.

(4) The person transferring, selling, or assigning the credits shall notify the officer and the department in writing within fifteen calendar days following the effective date of the transfer, sale, or assignment and shall remit to the department the certificate issued for the credits that were transferred, sold, or assigned. The department shall then issue new certificates as necessary to effectuate the transfer, sale, or assignment. The issuance of the new credits by the department shall perfect the transfer, sale, or assignment of credits.

(5) The department shall develop a system to track the transfer, sale, and assignment of credits and to certify the ownership of the credits.

(6) The department shall have, with respect to the Nebraska Job Creation and Mainstreet Revitalization Act, all authority granted to it in section 77-27,119.

Sec. 14. Sections 1, 2, 7, 8, 9, 10, and 16 of this act become operative three calendar months after the adjournment of this legislative session. Sections 3, 4, 5, 6, and 17 of this act become operative on October 1, 2016. The other sections of this act become operative on their effective date.

Sec. 15. Original sections 77-2905 and 77-2909, Revised Statutes Cumulative Supplement, 2014, and section 77-2904, Revised Statutes Supplement, 2015, are repealed.

Sec. 17. Original section 77-2704.56, Reissue Revised Statutes of Nebraska, sections 77-2704.12 and 77-2704.13, Revised Statutes Cumulative Supplement, 2014, and section 77-2704.15, Revised Statutes Supplement, 2015, are repealed.

Sec. 18. Since an emergency exists, this act takes effect when passed and approved according to law.
