

AMENDMENTS TO LB1144

(Amendments to Standing Committee amendments, AM2107)

Introduced by Flood, 19.

- 1           1. On page 10, line 24, strike "may" and insert "shall"; and in line
- 2   26 after "area" insert "in which the provider submitting the challenge
- 3   states that broadband service is currently available at minimum speeds of
- 4   one hundred megabits per second for downloading and twenty megabits per
- 5   second for uploading".
