AN ACT to amend section 2-1205, Reissue Revised Statutes of Nebraska, 1943, relating to horse racing; to permit a race meet licensee to conduct all or part of such race meet at other licensed facilities; to permit agreements between licensees for the operation and management of the meets; to permit sharing in the proceeds thereof; to repeal the original section; and to declare an emergency.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 2-1205, Reissue Revised Statutes of Nebraska, 1943, be amended to read as follows:

2-1205. (1) If the commission is satisfied that its rules and regulations and all provisions of sections 2-1201 to 2-1218 have been and will be complied with, it may issue a license for a period of not more than one year. The license shall set forth the name of the licensee, the place where the races or race meetings are to be held, and the time and number of days during which racing may be conducted by said licensee. Any such license issued shall not be transferable or assignable. The commission shall have power to revoke any license issued at any time for good cause upon reasonable notice and hearing. No license shall be granted to any corporation or association except upon the express condition that it shall not, by any lease, contract, understanding or arrangement of whatever kind or nature, grant, assign or turn over to any person, corporation or association the operation or management of any racing or race meeting licensed under the provisions of said sections or of the pari-mutuel system of wagering hereinafter referred to, or in any manner permit any person, corporation or association other than the licensee to have any share, percentage or proportion of the money received for admissions to said racing or race meeting or from the operation of said pari-mutuel system; and any violation of said condition shall authorize and require the commission immediately to revoke said license.

(2) Notwithstanding the provisions of subsection (1) of this section, for the calendar year 1976 a licensee may contract with any other licensee or licensees for its assigned racing meet to be held in full or in part at the licensed facilities of any other licensee or licensees, and may contract with such licensee or licensees for the operation or management of the meet to be held at the licensed facilities of any other licensee or licensees and may provide for sharing in the pari-mutuel proceeds or any other proceeds therefrom with the licensee or licensees at whose facility the meet is being conducted, except the pari-mutuel taxes, admissions taxes, and all other taxes or fees required to be paid to the state or its agency by sections 2-128 and 2-1208. Any licensee which contracts with another licensee or licensees pursuant to this subsection shall, for purposes of this subsection and section 2-128, be deemed to have conducted the race meet to which such contract applies.

Sec. 2. That original section 2-1205, Reissue Revised Statutes of Nebraska, 1943, is repealed.

Sec. 3. Since an emergency exists, this act shall be in full force and take effect, from and after its passage and approval, according to law.
