AN ACT relating to cities and villages; to amend section 18-1707, Reissue Revised Statutes of Nebraska, 1943; to authorize cities and villages to contract for compensation for certain services and for the use of certain vehicles and equipment as prescribed; to repeal the original section; and to declare an emergency.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 18-1707, Reissue Revised Statutes of Nebraska, 1943, be amended to read as follows:

18-1707. Any city or village shall have authority to contract with other municipalities political subdivisions, fire protection districts government agencies, public corporations, private persons, or groups for (1) compensation for services rendered in fighting fires by it or in (2) the use of other municipal emergency vehicles and equipment of the city or village. The services shall be of a type which the city or village is empowered to perform and the vehicles or equipment shall be of a type which the city or village is empowered to use, as otherwise provided by law. Any person performing the services shall have completed any training requirements of his or her profession as required by law. The compensation agreed upon shall be a legal charge and collectible by the municipality entity rendering such services in any court of competent jurisdiction. Any city or village shall also have authority to enter into agreements with other political or governmental subdivisions, agencies, or public corporations whether federal, state, or local, for the performance of said services.

Sec. 2. That original section 18-1707, Reissue Revised Statutes of Nebraska, 1943, is repealed.

Sec. 3. Since an emergency exists, this act shall be in full force and take effect, from and after its passage and approval, according to law.
