AN ACT relating to public meetings; to amend section 84-1411, Reissue Revised Statutes of Nebraska; to provide for meetings of risk management pools to be held by videoconferencing; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 84-1411, Reissue Revised Statutes of Nebraska, is amended to read:

84-1411. (1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, or of the governing body of a public power district having a chartered territory of more than fifty counties in this state, or of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act may be held by means of videoconferencing if:

(a) Reasonable advance publicized notice is given;

(b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing was not used;

(c) At least one copy of all documents being considered is available to the public at each site of the videoconference;

(d) At least one member of the state entity, advisory committee, or governing body is present at each site of the videoconference; and

(e) No more than one-half of the state entity's, advisory committee's, or governing body's meetings in a calendar year are held by videoconference.

Videoconferencing shall not be used to circumvent any of the public government purposes established in sections 84-1408 to 84-1414.

(3) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(4) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (3) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(5) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

(6) It is the intent of the Legislature that on or before January 1, 1997, the Government, Military and Veterans Affairs Committee of the Legislature review the effects of subsections (2) and (5) of this section on

openness of meetings, effectiveness of public access arrangements, costs and cost-savings, and any tendency observed to abuse or circumvent the open meeting provisions of sections 84-1408 to 84-1414. The committee shall develop and propose any corrective legislation it deems necessary.

Sec. 2. Original section 84-1411, Reissue Revised Statutes of Nebraska, is repealed.
