

ONE HUNDRED FIRST LEGISLATURE

SECOND SESSION

LEGISLATIVE RESOLUTION 516

Introduced by Fischer, 43.

PURPOSE: The purpose of this study is to analyze the current Vehicle Titling and Registration (VTR) System that is developed and maintained by the Department of Motor Vehicles. VTR is used by all ninety-three counties for the titling and registration of Nebraska's approximately 2.1 million vehicles. VTR is also the system through which all motor vehicle taxes, motor vehicle fees, motor vehicle registration fees, motor vehicle sales taxes, motor vehicle wheel taxes, and other assorted motor vehicle fees are collected.

The study will consider the capabilities and limitations of VTR, technological advancements and uses in other states since VTR was developed and implemented in Nebraska in the early 1990s, and the estimated cost and potential sources of funding for a replacement system.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FIRST LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Transportation and Telecommunications Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its

recommendations, to the Legislative Council or Legislature.
