**Date of Hearing:** February 24, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Nebraska statute provides for a good time calendar in which inmates sentenced to state corrections serve roughly one out of every two days of their sentence.

Adjusting the city and county good time calendar to be in conformity with the state good time calendar will allow cities and counties to save a substantial number of inmate bed days and further help with current capacity issues.
