**Summary of purpose and/or changes:**

LB 897 amends Neb. Rev. Stat. sec. 77-1615 to eliminate an exception to the requirement that the county assessor must complete the tax list. That exception requires the county clerk in all counties having a population of more than 200,000 inhabitants to complete the tax list.

Also, LB 897 outright repeals Neb. Rev. Stat. sec. 33-113, which provides that: "In counties having over two hundred thousand population, where the county clerk makes the county and city tax lists, he shall be allowed a budget of twenty thousand dollars for clerks' salaries for making said tax lists."
