4 Statutes Cumulative Supplement, 2010; to change and
5 eliminate provisions relating to the use of certain
6 funds; to harmonize provisions; and to repeal the
7 original sections.
8 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 13-2042, Revised Statutes Cumulative
2 Supplement, 2010, is amended to read:

3 13-2042 (1) A disposal fee of one dollar and twenty-five
4 cents is imposed for each six cubic yards of uncompacted solid waste,
5 one dollar and twenty-five cents for each three cubic yards of
6 compacted solid waste, or one dollar and twenty-five cents per ton of
7 solid waste (a) disposed of at landfills regulated by the department
8 or (b) transported for disposal out of state from a solid waste
9 processing facility holding a permit under the Integrated Solid Waste
10 Management Act. Each operator of a landfill or solid waste processing
11 facility shall make the fee payment quarterly. The fee shall be paid
12 quarterly to the department on or before the forty-fifth day
13 following the end of each quarter. For purposes of this section,
14 landfill has the same definition as municipal solid waste landfill
15 unit in 40 C.F.R. 258.2.

16 (2) Each fee payment shall be accompanied by a form
17 prepared and furnished by the department and completed by the
18 permitholder. The form shall state the total volume of solid waste
19 disposed of at the landfill or transported for disposal out of state
20 from the solid waste processing facility during the payment period
21 and shall provide any other information deemed necessary by the
22 department. The form shall be signed by the permitholder.

23 (3) If a permitholder fails to make a timely payment of
24 the fee, he or she shall pay interest on the unpaid amount at the
25 rate specified in section 45-104.02, as such rate may from time to

1 time be adjusted.

2 (4) This section shall not apply to a site used solely
3 for the reclamation of land through the introduction of landscaping
4 rubble or inert material.

5 (5) Fifty percent of the total of such fees collected in
6 each quarter shall be remitted to the State Treasurer for credit to
7 the Integrated Solid Waste Management Cash Fund and shall be used by
8 the department to cover the direct and indirect costs of responding
9 to spills or other environmental emergencies, of regulating,
10 investigating, remediating, and monitoring facilities during and
11 after operation of facilities, or of performance of regulated
12 activities under the Integrated Solid Waste Management Act, ~~the~~
13 ~~Livestock Waste Management Act,~~ the Nebraska Litter Reduction and
14 Recycling Act, and the Waste Reduction and Recycling Incentive Act.
15 The department may seek recovery of expenses paid from the fund for
16 responding to spills or other environmental emergencies or for
17 investigation, remediation, and monitoring of a facility from any
18 person who owned, operated, or used the facility in violation of the
19 Integrated Solid Waste Management Act, ~~the Livestock Waste Management~~
20 ~~Act,~~ the Nebraska Litter Reduction and Recycling Act, and the Waste
21 Reduction and Recycling Incentive Act in a civil action filed in the
22 district court of Lancaster County. ~~Of the amount credited to the~~
23 ~~Integrated Solid Waste Management Cash Fund,~~ the department may
24 ~~disburse amounts to political subdivisions for costs incurred in~~
25 ~~response to and remediation of any solid waste disposed of or~~

1 ~~abandoned at dump sites or discrete locations along public roadways~~
2 ~~or ditches and on any contiguous area affected by such disposal or~~
3 ~~abandonment. Such reimbursement shall be by application to the~~
4 ~~department on forms prescribed by the department. The department~~
5 ~~shall prepare and make available a schedule of eligible costs and~~
6 ~~application procedures which may include a requirement of a~~
7 ~~demonstration of preventive measures to be taken to discourage future~~
8 ~~dumping. The department may not disburse to political subdivisions an~~
9 ~~amount which in the aggregate exceeds five percent of total revenue~~
10 ~~from the disposal fees collected pursuant to this section in the~~
11 ~~preceding fiscal year. These disbursements shall be made on a fiscal-~~
12 ~~year basis, and applications received after funds for this purpose~~
13 ~~have been exhausted may be eligible during the next fiscal year but~~
14 ~~are not an obligation of the state. Any eligible costs incurred by a~~
15 ~~political subdivision which are not funded due to a lack of funds~~
16 ~~shall not be considered an obligation of the state. In disbursing~~
17 ~~funds under this section, the director shall make efforts to ensure~~
18 ~~equal geographic distribution throughout the state and may deny~~
19 ~~reimbursements in order to accomplish this goal.~~

20 ~~(6)~~(6)(a) The remaining fifty percent of the total of
21 such fees collected per quarter shall be remitted to the State
22 Treasurer for credit to the Waste Reduction and Recycling Incentive
23 Fund. For purposes of determining the total fees collected, any
24 amount of fees rebated pursuant to section 13-2042.01 shall be
25 included as if the fees had not been rebated, and the amount of the

1 fees rebated pursuant to such section shall be deducted from the
2 amount to be credited to the Waste Reduction and Recycling Incentive
3 Fund.

4 (b) From the fees credited to the Waste Reduction and
5 Recycling Incentive Fund under this subsection:

6 ~~(7) The council shall adopt and promulgate rules and~~
7 ~~regulations for the distribution of grants under subsection (6) of~~
8 ~~this section from the proceeds of the fees imposed by this section~~
9 (i) Grants shall be awarded to counties, municipalities, and agencies
10 for the purposes of planning and implementing facilities and systems

13 ~~grant proceeds~~ shall not be used to fund landfill closure site
14 assessments, closure, monitoring, or investigative or corrective
15 action costs for existing landfills or landfills already closed prior
16 to July 15, 1992. The council shall adopt and promulgate rules and
17 regulations to carry out this subdivision. Such rules and regulations
18 shall base the awarding of grants on a project's reflection of the
19 integrated solid waste management policy and hierarchy established in
20 section 13-2018, the proposed amount of local matching funds, and
21 community need; and -

22 (ii) The department may disburse amounts to political
23 subdivisions for costs incurred in response to and remediation of any
24 solid waste disposed of or abandoned at dump sites or discrete
25 locations along public roadways or ditches and on any contiguous area

1 affected by such disposal or abandonment. Such reimbursement shall be
2 by application to the department on forms prescribed by the
3 department. The department shall prepare and make available a
4 schedule of eligible costs and application procedures which may
5 include a requirement of a demonstration of preventive measures to be
6 taken to discourage future dumping. The department may not disburse
7 to political subdivisions an amount which in the aggregate exceeds
8 five percent of total revenue from the disposal fees collected
9 pursuant to this section in the preceding fiscal year. These
10 disbursements shall be made on a fiscal-year basis, and applications
11 received after funds for this purpose have been exhausted may be
12 eligible during the next fiscal year but are not an obligation of the
13 state. Any eligible costs incurred by a political subdivision which
14 are not funded due to a lack of funds shall not be considered an
15 obligation of the state. In disbursing funds under this subdivision,
16 the director shall make efforts to ensure equal geographical
17 distribution throughout the state and may deny reimbursements in
18 order to accomplish this goal.
