

# **One Hundred Second Legislature - First Session - 2011**

## **Introducer's Statement of Intent**

### **LB145**

---

**Chairperson: Senator Greg Adams**

**Committee: Education**

**Date of Hearing: February 28, 2011**

LB 145 requires each school board that contains a portion of a city of the metropolitan, primary, first or second class to create a transportation safety committee to look at all current schools and issue a report at the end of the 2013-2014 school year, and each year thereafter on the current transportation situation.

LB 145 also requires that when a new school is proposed located in a city of the metropolitan, primary, first or second class, the transportation safety committee shall conduct public meetings and a neutral third party shall facilitate a transportation safety plan for the new school. The plan must be adopted and implemented by the school board before the new school can open.

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:
