

One Hundred Second Legislature - First Session - 2011

Introducer's Statement of Intent

LB490

Chairperson: Senator Russ Karpisek

Committee: General Affairs

Date of Hearing: February 07, 2011

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Under current law, a keno operator must wait 5 minutes after the conclusion of the previous game before the next game can start. LB 490 would set the time requirement between games at 1 minute, but the local political subdivision could increase the time requirement to any time longer than 1 minute. LB 490 also eliminates the requirement for an attendant to write the keno tickets.
