

**One Hundred Second Legislature - Second Session - 2012**

**Introducer's Statement of Intent**

**LB792**

---

**Chairperson: Senator Bill Avery**

**Committee: Government, Military and Veterans Affairs**

**Date of Hearing: February 03, 2012**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 792 would clarify that Neb. Rev. Stat. §§73-301 through 73-307, dealing with personal services contracts, are applicable regardless of whether any state employee is displaced by such contract. The sections would still only apply in situations where the personal services had been performed by permanent state employees and would be replaced by services performed by a private entity.
